National Scholarship, Korea Foundation Scholarship, Outstanding Graduate, and university scholarships, 2012–2015.

Research Experience

Modeling Emergent Social Order (MESO) Lab, The Ohio State University 2022–Present
Research Fellow, National Science Foundation–funded MESO Lab project, founded by the late Bear F. Braumoeller. Continued as an independent research fellow under NSF funding following his passing in May 2023. Led theory development, research design, and empirical analysis for an article on China's recognition dilemma, as well as the preparation of project progress reports

UC San Diego 2019–2020
Research Assistant for Stephan Haggard. Contributed to research on Korean security, China-DPRK relations, sanctions diplomacy, democratic backsliding, and regional counterterrorism.

UC San Diego 2018–2019
Research Assistant for Tai Ming Cheung. Contributed to research on East Asian security, Chinese technology and defense policy, military-civil fusion, and China-DPRK relations; served as liaison for the 2019 Northeast Asia Cooperation Dialogue.

Fudan University 2013–2018
Research Assistant for Liju Xing. Contributed to research and translation projects on Korean politics, modern Korean history, Korean Confucianism, and China-Korea cultural exchange.

Teaching Experience

Instructor of Record

POLITSC 3910: Identity Politics, The Ohio State University, Spring 2025. Overall instructor effectiveness: 4.81/5.00. Course received Ohio State's Outstanding Writing Instruction Award.

POLITSC 3780: Data Literacy and Visualization, The Ohio State University, Fall 2023. Hybrid course using R for exploratory data analysis and visualization.

Teaching Assistant

POLITSC 7552: Quantitative Political Analysis, The Ohio State University, Spring 2022. Led weekly recitations for graduate students. Instructor: Sunny Yang.

GPPS 400: International Relations of the Asia-Pacific, UC San Diego, Winter 2020. Instructor: Stephan Haggard.

IRGN 408: Korean Security, UC San Diego, Winter 2020. Instructor: Stephan Haggard.

Conference Presentations

Midwest Political Science Association, International Studies Association, American Political Science Association, and 10th Annual New-Wave Realism Conference, 2025. Presented dissertation theory and Korea-Japan and Philippines-U.S. case research.

International Relations Theory Colloquium, organized by Jennifer Mitzen and Sebastian Rosato, 2024. Presented dissertation theory chapter.

Midwest Political Science Association, 2022. Presented early version of the ethnic-status and great-power public opinion project.

American Political Science Association and International Security Seminar, United States Military Academy at West Point, 2022. Presented early version of the China recognition-dilemma project.

North Korea Economic Forum Annual Conference, 2020. Presented research on North Korean data sources, methods, and pitfalls.

Fudan University Korean Studies Graduate Conference, 2017. Presented research on North Korea's views of nuclear weapons under Kim Il Sung.

Korean Peninsula Policy Consensus, Seoul National University, 2016. Presented research on the delayed U.S. troop withdrawal from South Korea, 1948–1949.

Professional Training and Service

Institute for Qualitative and Multi-Method Research, Syracuse University, Summer 2023. Coursework in interpretive methods, interpretation and history, and ethnographic methods.

Graduate Student Peer Mentor, Department of Political Science, The Ohio State University, 2022–2023.

Coordinator, Research in International Relations Seminar, The Ohio State University, 2022–2023.

President, Hibiscus Korean Language Association, Fudan University, 2014–2015.

Methods, Software, and Languages

Methods: survey research and causal inference; statistical modeling; computational text analysis; inferential network analysis; process tracing and comparative-historical analysis; mixed-method research design; GIS and remote sensing.

Software: Python; R; Stata; LaTeX; ArcGIS; Google Earth Engine Code Editor; NetLogo.

Languages: Proficient in Chinese, English, and Korean; intermediate Japanese.
